## Travel and booking

| Within 30 km | Included | By road from Crangan Bay |
|--------------|----------|--------------------------|
| 30-50 km     | \$25     | Travel fee               |
| 50-70 km     | \$40     | Travel fee               |
| Beyond 70 km | Custom   | Quoted before booking    |

Prices are in Australian dollars. Lachlan Brain trading as Aerial Productions is not registered for GST, so GST is not added.

# A simple path from enquiry to files

Provide enough information for a location and scope check. An enquiry does not confirm a booking.

| 1 / ENQUIRE                                                                       | 2 / CHECK                                                                   | 3 / CONFIRM                                                                     | 4 / CAPTURE                                                                  | 5 / DELIVER                                                                      |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------|---------------------------------------------------------------------------------|------------------------------------------------------------------------------|----------------------------------------------------------------------------------|
| Share the address, preferred date, listing type and desired photographs or video. | The location, access, airspace, weather and intended coverage are reviewed. | The deliverables, date, price and payment arrangements are accepted in writing. | The agreed content is captured only while conditions remain safe and lawful. | Selected files are edited and supplied digitally under the agreed usage licence. |

## What helps with a fast quote

|                                                                           |                                                        |
|---------------------------------------------------------------------------|--------------------------------------------------------|
| - Exact property or project address                                       | - Preferred date or campaign deadline                  |
| - Number of photographs and video choice                                  | - Key surroundings or features to show                 |
| - Property access and contact on the day                                  | - Any logo or address text for an illustrative image   |
| - Intended use: listing, brochure, social media or another agreed purpose | - Known site constraints, people or scheduled activity |

## Important operating notes

Every flight remains subject to safe and lawful conditions, including weather, airspace, access, nearby people, wildlife and a suitable take-off and landing area. A different time or rescheduled date may be needed.

Property outlines, location labels and other overlays are illustrative marketing graphics. They are not surveys, title plans or legal boundary representations.

Portfolio and social-media use are permission-based. This guide does not claim client reviews, insurance, licences, qualifications or completed projects.
